

Old man Biden represents American Palestinians – Dr John WorldPeace JD for Secretary of the US Department of Peace. 231016
Dr John WorldPeace for President USA 2024

Psalms 37: 37 ~ Consider the blameless and behold the upright for there is a future for the peacemakers.

Zionists! is Netanyahu's son on the front line of the invasion of Gaza or safe at his mother breast?

Friends it is time to retire Old man Biden for his 20th century American mentality.

Let me start with the fact that Biden as President of the United States, the only nation in the world human society that is a melting pot of all nationalities, all religions, all races, all genders has an obligation to consider the fact that he cannot take sides with the Zionist apartheid state and maintainer of their concentration camp in Gaza.

Biden as have all his predecessors and members of the Senate and House have always talked about Zionist rights.(Zionist are the right wing radicals of the Jews, same as Southern and other Whites in American are racists focused on Black Americans.)

I, Dr John WorldPeace JD, the only Advocate for Jesus Christ Jn 14: 25 and the only global advocate for peace and WorldPeace am against the violent resolution of human disagreements. I also believe that America is the melting pot of the world human society where all nationalities, all races, all religions, all genders reside in peace.

In America there are members of every nation in the world human society. It is wrong for Old Man President Biden to side with Zionist in America as an excuse to back their crimes against humanity. Biden has taken an oath to stand up for the Palestinians American just as much as the Zionist Americans.

Biden has the ability to just say NO to the Zionist Netanyahu entering Gaza on a revenge mission against the Palestinians who Israel has made war on for 75 years: as evidenced by its apartheid state of Zion, the Zionist concentration camp in Gaza and the millions of Palestinians ethnically cleansed by the Zionist from Palestine and living in 53 refugee camps through out the Middle East.

The UN guarantees every human being a citizenship in a Nation State but the US support of Zion has denied this guarantee to Palestinians and betrayed the rights of all Palestinian Americans.

There are protests all over America by Palestinians and their supporter demanding justice and the ending of preferential treatment of the Zionist in America over the Palestinians. Old Man Biden remembers the college campus turmoil of the 60's and he can see the Millennials on college campuses in the USA and around the world are ready to act out if Old Man Biden does not stop the invasion of Gaza by the Zionists.

I Dr John WorldPeace JD am ready to lead such a non-violent movement for equal rights for American Palestinians and a Boycott, Divestiture, Sanction against the Zionist perpetrators of crimes against humanity with regards to the Palestinians.

Enough people have died. Zion has killed a premium of 1,000 Palestinians over Jewish deaths. Enough.

Old Man Biden, stop these Zionists.

Biden you have sent two US Aircraft carrier strike forces to the Middle East. You know the Zionist are about to create a massive war in the Middle East starting with Iran or you would not have sent the carriers.

Biden you need to execute an order to fire on any Zionist tanks that breach the Gaza border for the purpose to stop their war.

You know, we all know the radical Zionist have nuclear bombs and we can assume they will use them to bomb Iran. And I will remind you that there are Iranian Americans that you represent.

What is wrong with this picture? Simple there needs to be a Department of Peace in the USA president cabinet. There needs to be a voice of peace. If there was a voice of Peace the Zionist would not be poised to start a global war in Gaza when they use the most advanced and powerful weapons of mass destruction against the concentration camp armed only with rifles.

I am the only advocate for Jesus Christ Jn 14: 25 and the only global advocate for peace and WorldPeace. Biden you need me in your cabinet to remind you of your duty to represent all Americans without preferential treatment of Zionist over Palestinians.
