

The vicious insanity of war. Zion against the world human society 231013
Dr John WorldPeace for President USA 2024

Friends today is still Friday the 13th in New Mexico.

You know friends, I am running for President of the United States in 2024 as the Independent Maverick write-in candidate. The general consensus in America is that the citizens do not want Old Man Joe Biden or Donald “Looney Tunes” Trump to run. They want Biden on a forever vacation with his family and they want Donald Trump locked up in jail with a really long line of sexy convicts wanting a gypsy savage date with the “Art of the Incarceration”. Melania with her mama’s boy Baron moving to Bohemia and she marries one of those No-A-Counts over there.

You know what insanity per Einstein: Doing the same thing over and over and expecting a different result. Will Old Man Biden is insane. Same with the Trump crook clone Netanyahu. They are both buddies in the latest 20th century war being played out in the 21st Century.

You know why Old Man Biden needs to not run again for President in 2024? Well it is because he is still living in the 20th century. He cannot figure out the 21st Century solution to the Palestinian problem so he just goes along with Netanyahu and his 20th century Zionist Chosen people of God mentality. His Jew boy Netanyahu knows the Jews are God’s chosen people because God let the Romans wipe Jerusalem off the map and disburse the Jews in 72CE. Then in the 6th century God gave the land of Israel to the Muslims including the Dome of the Rock that the Jews call the Temple Mount. And then in the 20th century God let the Nazis exterminate 6 million Jews. And the Jews still see themselves as the Chosen People of God.

What do you think is going to be accomplished by the Zionist with their war on their Gaza concentration camp. They are going to use their 20th century mentality and kill as many Palestinians as they can because Hamas killed a bunch of rich Jewish kids at a really big party. Living the good life as they say on daddy’s money.

Now all those that died, their grieving parents want to kill every Palestinian in Gaza so that all those people can have the grief of losing a child or parent too. So they want to magnify the grief and decrease the peace in the world. Everyone should suffer. Increase the suffering in the world instead of trying to end a war that has been going on for 75 years: Zionist, the Chosen People of God vs the Palestinian Muslim Chosen People of God.

And you know what folks. There are a whole lot of Palestinians all over the world who are protesting now. Netanyahu and Old Man Biden have stirred up a global hornets nest with their 20th century war. I think those gathering was a limited wake up call for the world human society as to the future.

Now being a US Army Veteran, let me tell what the future looks like. Let me tell you what the Hamas Hezbollah war on the Jews will look like. We have an ongoing real time example going on in Ukraine. The Drone war. Think about that last scene in the Matrix movie when infinite numbers of drones were coming through the ceiling.

Now you have these Palestinians who are really smart and compete very well in America and Europe. They start designing drones and all over the world, mostly in America due to Old Man Biden who presently 100% supports the murderous Zionists Holocaust, the drones are everywhere.

Do you know what the most effective plan of the Palestinians was against the Jews all over the world. Flesh and Blood Suicide bombers. Why? Because the Jews cannot defend against them. No one can. Well in the 21st century we have drones and no need of suicide bombers.

That's right, at every Jewish event there is going to be drones above. Eyes in the sky. Dropping TNT bombs and probably some poison gas payloads. NO DEFENSE no warning. And on every drone there will be a sticker "Remember the Gaza Concentration Camp. Remember the Gaza Holocaust. Remember Netanyahu". That is the future. That is the progeny of this Old Man Biden/Netanyahu massacre going in Gaza as I write. Thank you Old Man Biden who could not just tell the Zionist NO.

Well folks think on that. Americans you friends think about a Dr John WorldPeace JD 21st century President and Old Man Biden and his boy Netanyahu off the grid somewhere.
