

Dr John WorldPeace JD Commentary Feb 14 – Feb 18, 2023

~ The 'living will' TikTok trend has sparked strong emotions. In most of the videos, a woman appears alongside a written message saying something like, "If there are complications during childbirth, save me before the baby." Some people reference their children

[Feb 18](#)

in their decision and even show them in the video. Some have posted videos telling doctors in such situations to prioritize their unborn babies first: Friends SCOTUS has put the government in the middle of extreme personal family decisions. 2 words - Self Righteous 1 Word NO.

~ Rally at state capitol shows support for Black ranchers from El Paso County, Colorado: Friends I was born in 1948 in Texas and left for New Mexico in 2011. I lived in Colorado 1993 - 1996. Colorado is an unfriendly state. Boulder, Co is radically racists. As much as Texas.

~ Many voters think Biden is too old for a second term. The White House isn't worried: A few other questions. 1) Does Biden have a long history in government? 2) Is Biden an insurrectionist 3) Is Biden a notorious liar? 4) Does Biden curse the Radical Liberal Left message of Jesus?

~Meat plant cleaning service fined \$1.5M for employing over 100 children across US locations: So my question is how did this go undetected. 2 take-aways. 1) the government is not doing its job of inspection. 2) The owners of these companies will do anything for \$\$\$\$. Boycott !!!

~Nikki Haley Wants Mandatory Competency Tests for Older Politicians: Well Ms Nikki being young is not a guarantee of Competency. So Test ALL. The real questions begin with qualifications and experience. 1)Do you have a law degree 2) have you or your kids been in the military.

[Feb 18](#)

3) Are you a book burner 4) Did Trump mount an insurrection Jan 6 2021 5) Do you understand critical race theory. 6) How many Black friends do you have. 7) Do you understand that Jesus teaches a radical liberal leftist platform. 8) have you or ur children aborted a fetus.

~Nikki Haley Wants Mandatory Competency Tests for Older Politicians: Well Ms Nikki being young is not a guarantee of Competency. So Test ALL. The real questions begin with qualifications and experience. 1)Do you have a law degree 2) have you or your kids been in the military.

[Feb 18](#)

3) Are you a book burner 4) Did Trump mount an insurrection Jan 6 2021 5) Do you understand critical race theory. 6) How many Black friends do you have. 7) Do you understand that Jesus teaches a radical liberal leftist platform. 8) have you or ur children aborted a fetus.

~The US has "formally determined" that Russia had committed crimes against humanity in Ukraine, US Vice-President Kamala Harris has said: Putin invaded Ukraine a year ago & we immediately began to see on the video crimes against humanity. ??? has been for a year ~ What will UN do

The Biden administration on Friday restored the legal foundation of an Obama-era regulation governing mercury, a pollutant from power plants that can damage brain development in babies and cause heart disease in adults: Friends the god of the Republicans is money. The Republicans

[Feb 18](#)

will pollute every inch of the earth & burn down the Garden of Eden with fossil fuels for a roll of quarters. Mercury is super toxic stuff. With just a little bit of luck the Republicans will run Trump for POTUS in 2024 with "Go to Jail" cards hanging all over him. What then?

~Nearly 1,000 contributors protest New York Times' coverage of trans people: You know friends this trans stuff is corporate Christianity fueled. The human body is a vehicle for the soul. It wears out and returns to the dust of the earth from where it came.

[Feb 18](#)

The soul goes back to God. The corporate Christians have made an issue about the body as more than a vehicle. My sister quit talking to my dad because he was going to have his cremated. It was Jesus soul body that rose up not his earth body. That is how he walked through walls.

~Trump ridiculed for pretending he has been 'exonerated' by Georgia grand jury over his bid to overturn election. 'As dumb as he is, even he knows this is BS. But he is cunning enough to know the cultists will buy it' UK Indep: Is this Trump showing his age or his love of the LIE?

CNN's chairperson Chris Licht has reproached Don Lemon for his sexist on-air comments about Republican presidential candidate Nikki Haley, whom the news anchor had said "isn't in her prime". Nikki is a big girl as demonstrated by her bringing up the age issue in her opening

[Feb 18](#)

statement about age limits for President as part of her announcement for POTUS. At 50 she is not in her prime. No one can argue with that. Stmt of fact. Biden is an elder statesman and Biden needs to rephrase anything about his age to the fact that he has 50 years DC experience.

~Special counsel Jack Smith issued a subpoena to Pence last week as part of his probe into former President Trump's role in the insurrection. Former Judge J. Michael Luttig argued that any constitutional right Pence had to not testify should yield

[Feb 18](#)

to the process of a criminal investigation: Well I see lots of reasons Pence would not want to testify. He cannot seem unstuck himself from Trump. But the real issue here is that Jack Smith smells blood and is moving fast to hang a 1st jail sentence on Trump. NICE !!!

~MARIANNE WILLIAMSON, the self-help author who went viral during the 2020 Democratic primary appears on the verge of announcing she's running again: Well first off her life has been very successful but very scattered. 2) No law degree 3) no military service 4) No books on

[Feb 18](#)

not Christian religion. 5) no stance on equal pay for women ~ 83% of male wages 6) No comment on anti-abortion laws 7) No clue on how to increase the peace in the world human society much less the 8 main obstacles to increasing the peace 8) quit last time she ran. Excuse my LOL

~ Hill: 46 % of those surveyed said they would vote for Trump over Biden if the 2024 election were held today, compared to 41 % would support the president: So Trump lost to Biden in 2020 and almost all of those Trump backed in 22 lost. Trump was impeached twice

[Feb 18](#)

Trump was the motivator behind the Jan 6 insurrection, Trump refused to turn over classified gov. docs. Trump curses the foundational Jesus message of the radical liberal left. And T is going to beat Biden in 2024 NOT. I want to know the breakdown by race in this poll.

~Ukraine is burning through ammunition faster than the US and NATO can produce it: Friends think about this. The war in Ukraine is so intense they are running NATO and the US military out of ammo. And the supply chain is not going to catch up for 18 months from bullets to tanks.

[Feb 17](#)

No doubt that the Ukraine war is going to wear the world out & maybe wipe out Ukraine. But the USA, Russia, China issues will be resolved as to future of global wars. Militaries in the world r seeing the truth about 21st century war. AI, drones of all kinds. A global war economy.

~LISTEN WELL my friends to this. I have a website that has been up and running since 2016 that began with a statement that if Trump accepted the nomination and became President he would lose everything. <https://impeachpresidenttrumpusa.com> No one as in no one more consistently attacked

[Feb 17](#)

Trump, posted more negativity about what a corrupt "Gob-of_spit" he has always been. Now I am going to feed all I said then to the remnants of the shredded Trump candidates in 2022 and the rest of the Republican Party. The best of the Republicans need to become conservative Dems

~Republican losers look to run again in '24 — and the party's at odds over how to stop them: The Republicans cannot stop the rot of these Trump MAGA traitors from ending them in 2024. Jack Smith running hard to make sure Trump is kicked to the curb and jailed.

[Feb 17](#)

All this will come to a head in Summer 2024. The Republicans ignored 2 impeachments of Trump. and then came Jan 6, and then came Jack Smith appointed my Merrick Garland who Mitch McConnell screwed out of a SCOTUS seat and now runs the DOJ. What goes round comes round goes down.

~Fox News stars (Hannity, Ingram, Carlson)and executives privately trashed Trump's election fraud claims, court document reveals: I have newer seen such a corrupt coalition of talking heads as the sociopathic three above who will say anything for a roll of quarters.

[Feb 17](#)

These people knew that the Trump allegations of 2020 rigged elections had absolutely no basis. But because those lies kept Fox's ratings up & their salaries as some of the highest paid rabble rousers in the United States, they did their part in the Jan 6 Insurrection-Traitors all

~DOJ prosecutors in DC take over corruption probe into Texas attorney general: As an ex-Texan screwed by the Tx Democratic Party when I ran for governor in 2002, and who tried to disbar me when they did not plead disbarment in their pleadings, <https://johnworldpeace.com/wpvstatebar/> I will state

[Feb 17](#)

that Gov. Abbott is not only crippled in his body but also in his brain & corrupt in his allowing the corrupt Ken Paxton to remain as AG. I was b. in Tx in 1948 and left Tx for good in 2011. When I crossed the border into NM I kicked the Tx dirt off my boots & never looked back.

~Senator Rick Scott R-Fl has amended Point 6 of his plan, which includes the sunset proposal, to make "specific exceptions of Social Security, Medicare, national security, veterans benefits, and other essential services: SS is money taken from paychecks in trust by the Feds

[Feb 17](#)

to pay it back to contributors. Scott wants to take the SS pension plan and wipe it out. Medicare for the seniors, national security, screw the Vets who sacrificed their lives trusting the Feds to not cut their benefits. MINDBOGGLING. Only rich racists & the braindead vote Repub.

~Last week, Republican Rep. Matt Gaetz introduced a bill to end US support for Ukraine, a measure supported by a handful of far-right lawmakers including Lauren Boebert, Marjorie Taylor Greene and Paul Gosar: If Ukraine does not hold then Putin is going to spread war

[Feb 17](#)

all over Europe and that will mean the USA with boots on the ground that could be WWII. These House Republicans all supported the insurrectionist Traitor Trump. MAGA reps need to be on the same train out of town as George Santos. <https://impeachpresidenttrumpusa.com>

~Minnesota and Iowa that denounced schoolhouse gender-affirming policies and lessons on race: Republicans do not want to talk about the making of second class citizens of all Blacks. Buy my book "Raw White Racism" (amazon), my memoir about living in the South and racism.

[Feb 16](#)

This gender thing has struck the fear of God into the corporate Christians. Question is who can be a Christian. No to LGBTQ and now those who modify their genitals. The male Christians worry about having sex with a rebuilt man & liking it. This is just part next of the LGBTQ wars

~Republicans seeking the party's 2024 presidential nomination have so far ignored an issue that has been central to the conservative movement for decades: abortion: And why are they quiet? Because I, John WorldPeace, shut them down with one question: Since by demanding this birth

[Feb 16](#)

you have become a government surrogate parent, I ask you to show me the part of the anti abortion bills that talks about child support until the child is 18 and an education fund to 21. They cannot answer that question because no anti-abortion bill will pass that includes funding

~A Minnesota lawmaker, State Senator Glenn Gruenhagen, has filed a bill to force public support to teach students that "sickness, disease, pain, suffering, and death are a consequence imposed by the Creator: And that Creator god would be the Marvel Comics Thor the Thunder God.

In the book of Job, Job asked the true God why the good suffer and the bad prosper. What was God's response? He asked Job who Job was to question God? Is Senator Gruenhagen writing a new chapter in the Bible? This is a brainwashed corporate Christian~ crazy as an outhouse rat.

~So you Nikki Haley want to be POTUS. Cool. Here are three questions you much answer first. 1) Were the 2020 elections rigged? Yes or No. 2) Did you and your family, husband and children get the Covid shots? Y or N 3) Did Donald Trump bring about the Jan 6th insurrection? Y or N

Feb 16

Until you answer these three questions, stay off the campaign trail. Trump is a notorious liar. You were one of Trump's lackeys. We need to see if you are a liar. We need to see if you are your own person. The question all Americans need to know. WHO IS NIKKI HALEY???

~ In the world human society (WHS) there is no radical liberal left voice to challenge the power centers political and corporate. Without a focal point those in power cannot respond because they do not know who to contact. Millions of humans independent and in groups protested

Feb 16

but Bush laughed because they had no leadership. So we had the war in Iraq based on lies. The energy existed to stop Bush but no individual to push back in his face. I am that person. I will pass the baton if someone is more qualified than me in a Zoom debate. I have no peers.

~Presently, the World Human Society and the USA are in trouble. Every area of the WHS is in chaos. Putin is for the most part unchallenged in his crimes against humanity. The UN was supposed to end regimes like Putin. Many world governments are moving to the right and

that will not work in a global society that more and more each day becoming interdependent. Global warming is real and immediate sacrifices must be made. The rich have economically enslaved much of the WHS. Jesus was a radical liberal leftist. Trump curses that Jesus message.

~I am running for President 2024 but my focus is "How can we increase the level of peace in the world human society." Everything I believe and experienced is on my website. <http://johnworldpeace.com> 18,000 pages. I changed my name in 1988 after my first divorce. No one owns me.

I am going to say in this campaign what needs to be discussed. Dems and Reps are in some cases in sync on doing wrong. I am open for a Zoom meeting set up by anyone. I do not intend to travel because it is a waste of time. If you want to face to face with me. Come to ABQ, NM.

~I am Dr John WorldPeace JD. I live a very open life and always have. There are 18,000 pages on my Flagship website. <http://johnworldpeace.com> . I am an Independent Write in Candidate for President which means I am a free agent and will not be taking direction from anyone.

Feb 16

I ran for governor of Texas 2002 and I know how politics work. I ran as a democrat and that election the Democratic Party of Texas sold out. My vetting documents are on my site. I am an Advocate for Peace but I am not a pacifist. I am 75 & a high IQ, high energy polymath.

~“Well, they forced the Covid vaccines on the country,” Tucker Carlson replied, “so I think they can’t be trusted.” This was an aside of the Ohio train wreck. Mr. Carlson 1,000,000 Americans died of Covid. If people took the shots, there would have been less deaths. Do you deny it

[Feb 16](#)

Fox news & all their personal put negative spins on all news for profits. Their history was to fully support the insurrectionist traitor Donald Trump. Boycot Fox news. They are just a bunch of sociopaths who would say anything for a roll of quarters. My contempt for them is great

~"We need consensus on this because I want to save as many babies as possible and I want to support as many moms as possible," Haley said: First: these Republicans are brain dead. An unborn child in the womb is a fetus. Not a baby. Second: until these Republican will fund these

[Feb 16](#)

fetuses that they want to go full term all they are doing is increasing the burden on these mothers and forcing them into involuntary servitude which is unlawful per the 14th Amendment. They are not willing to force any obligation on the part of the father. Sexual discrimination.

~“[Israel] is not an occupying nation. As an evangelical Christian, I am convinced by my reading of the Bible that 3,000 years on now, in spite of the denial of so many, [this land] is the rightful homeland of the Jewish people,” he said: OK folks Pompeo has stated here

[Feb 16](#)

that as Pres, he would subordinate the law of the United States & International law to his radical right Christian beliefs. Without the backing of the US there would be no postage stamp Apartheid Zionist nation of Israel. And he declares Gaza remains a Zionist concentration camp.

~Pompeo says Israel has biblical claim to Palestine and is ‘not an occupying nation’: Pompeo is STUPID. The next thing then is that there must be a return of America to the Native Americans. It was God who allowed the Romans to raze Jerusalem and disburse the Jews in 72 AD. It was God who gave Jerusalem to the Muslims in 638 who built the Dome of the Rock that same year. By declaring that Palestine is not occupied by the Jews means he has opened the door wide to the Zionist taking over the Dome of the Rock and the murder of every Jew on earth.

Now that Trump & Nikki Haley have declared for President 2024 and the book burning, keep them stupid education program of Ron DeSantis, it is time for me to declare myself as an alternative to these insurrectionist Republicans who have not rejected & called out the traitor Trump

[Feb 16](#)

<http://JohnWorldPeace.com> my flagship website. 18,000 pages. No candidate for President has my resume of qualifications for President 2024. I am ready to debate any of these anti-American Republicans who set up a Zoom debate. Now is not the time for me to deal with Biden.

~Here is the truth of the 2024 elections. Republicans refuse equal rights and equal pay for women. They subordinate Blacks 157 years after the Civil War. They reject non-Christians. They support Trump's message to reject the "radical liberal left" message of Jesus Christ.

~Donald Trump curses Democrats who support the radical liberal left message of Jesus Christ. "Heal the sick, support the poor and seniors, feed the hungry, children and adults" And the Declaration of Independence: "We hold these truths to be self-evident... unalienable rights of

[Feb 16](#)

life liberty and the pursuit of happiness. Gettysburg Address: our fathers brought forth on this continent, a new nation, conceived in Liberty, and dedicated to the proposition that all men are created equal. MAGA Republicans reject the above and embrace money as their standard.

~Republicans seeking 2024 presidential nomination have so far ignored abortion: You bet they have because I, Dr WorldPeace, has challenged them on funding to support these unwanted fetuses they demand be born. SURROGATE PARENTS MUST PAY SUPPORT.

~Nikki 4 Pres speaks: No criticisms of Trump. Mandatory mental competency tests for politicians over 75 NO Term limits NO Increasing fossil fuel production NO NO Communist China will end up on the ash heap of history AIRHEAD "May the best woman win" CUTE - Overall – UNQUALIFIED

~Americans' support for Ukraine aid slips in new poll: This is exactly what Putin is looking for. America's boredom with his war. My plan at this point is for the US and NATO to ramp up for war games the same thing Putin did before the invasion of Ukraine. While sending jets now.

~I, Dr John WorldPeace JD, have self-declared myself a "radical liberal left" follower of this foundational message of Jesus Christ. That said; without ONE designated WorldPeace Advocate, focal point, groups and governments will ignore discount marginalize individual peace groups.

[Feb 15](#)

See "The Impotence of Peace Groups" <https://johnworldpeace.com/impotence.asp> I, Dr John WorldPeace JD, am a follower of the spiritual messages of Jesus and I am not "a corporate Christian" or religionist of any stripe. I am one man with one message "WorldPeace". I have no organization.

~I AM HUMAN. I am the only global advocate for peace, I am the only advocate for the spiritual Jesus Christ Jn 14: 25, I have set up The Purple Order of Spiritual Christians, which is a statement NOT an organization, I am a heterosexual White Male. That said

Feb 15

American citizenship states one "must be a human being". Non humans cannot be citizens of the USA. As a human being, as an American citizen, the Constitution prohibits any & all discrimination of human beings based on sexual orientation or body alteration.

~Palestinians readying Security Council resolution slamming Israeli settlement plans: The postage stamp nation of Zionist Israel, the tail that wags the American dog, is a fascist Zionist apartheid state whose days are numbered. BDS Israel. One state. Right of return

Feb 15

for Palestinians from 53 refugee camps in the Middle East, end to the Zionist concentration camp that is Gaza, end of illegal Zionist settlements and the turn over of existing settlements for the returning Palestinians. UN Human Rights dictate "all humans must have a citizenship"

~Return of the 60s chaos. Friends the Radical Right Racist Republicans, Evangelical Christians & their Christian Nationalism, Book burners, Replace public education with Corporate Christian teachings, support of the end of the Radical Lib Left message of Jesus that Trump curses

~The Fascists Governors list. Abbott of Texas, DeSantis of Florida, Noem of South Dakota. Their agenda; White Racism, hold the line on women's rights, LGBTQ not equal American citizens, end social security, book burning, No support for fetuses they want born as economic slaves

~DeSantis threatens to rid Florida of Advanced Placement classes: Friends the Republicans are out of control. They are going to burn every book except the Bible, they will deny rights to the LGBTQ community. And Trump their god curses the radical liberal left message of Jesus.

NBC: 53% of student loan borrowers say their financial stability relies on debt forgiveness: About 40 years ago the Republican scheme to screw college graduates by sending them boxes of credit cards. Then Dubya Bush made it illegal to wipe the debt in bankruptcy.

Feb 14

Republican Deja Vu student loans. These students were economically enslaved again by the Republican Politicians. Sure they had some Democrat accomplices. So this time we forgive all the debt and zero-sum the screwing that Dubya Bush did to these students grandparents. Do it Joe

~Y: N. Korea bans citizens from having same name as Kim Jong-un's daughter ~ "Ju-ae" is now reserved for those of "the highest dignity: You cannot make up these things. Russians

following a mentally defective mass murderer Putin, the UN does nothing. Zionists: the Hitler memes.

As I consider what is going on in the world human society, it seems to me at 75, virtually all the people in the richer nations, could care less about people outside their nation or even the people inside their nation. In America, the Christians dominate but their distortion

of what Jesus actually taught has created a nation that enslaved the Blacks. There is no consideration that slavery was wrong evidenced by the lack of an national apology. The Blacks cannot be enslaved in body but are significantly economically enslaved 157 yrs post Civil War

[Feb 14](#)

~How can we increase the level of peace in the world human society if we do not include everyone (all races, all nations, all religions, all genders) in our vision of peace? We cant. Dr John WorldPeace JD the only global advocate for WorldPeace.

[Feb 14](#)

~Pol:Russia has begun deploying tactical nuclear weapon-armed vessels in the Baltic Sea for the first time in the last 30 years: I will have to say that Putin truly thinks that no one cares about his murdering and sooner or later the West will just get tired and give up n Ukraine

There is no serious plan to do anything but make money off arms sales & let things play out. The world is not united. The UN is a joke. It was established to prevent exactly what Putin is doing. But that was 70 years ago right after WWII. Now we just have apathy about war crimes

[Feb 14](#)

~Hill: House GOP demands info from Fauci, other officials on COVID-19 origins: So what will be accomplished. Covid originated in China. No one doubts that. Is Fauci a communist. Is that what is to be proven. He handled the AIDS crisis. What do the Republicans want to hear from F.

~NYTs: Tiny Public College Known for 'Free Thinkers' Is Latest Target for DeSantis: Friends the Republicans are about making money, keeping their money, not honoring the commitment of the USA to take care of its citizens. If all Americans understood politics, America would honor

its commitment to the citizens. This is also the prime message of Jesus to take care of everyone. 90% of the citizens, were they educated about politics, would always vote Democratic. Now you know why Republicans attack education in every possible way.

[Feb 14](#)

~NYTs: The G.O.P.'s Long War Against Medicare and Social Security. Friends, SS was set up such that the EE savings could not be touched. Problem is that all politicians are corrupt and so decades ago the SS money was robbed. So for past participants, their benefits are protected.

[Feb 14](#)

That said, under the corrupt Republicans, SS would have to be renewed every 5 years. If not, no more money will be collected from current workers. When the current beneficiaries all die, SS will be dead dead. Most Americans cannot pay bills without SS. That is why it was set up.

~NYTmes: Former Vice President Mike Pence is planning to fight a federal grand jury subpoena from DOJ Jack Smith. Pence cannot be deposed because he will not lie under oath. All his answers have always been guarded to the max. If Pence testifies, Trump is finished in politics.

~AP: After meeting with Gen. Milley lawmakers came away assured the objects were not extraterrestrial in nature. UFOs are now called UAPs Unidentified Ariel Phenomenon. Problem is the Gov. and military have been lying about UAPs since the Cape Girardeau, Missouri UFO 1941 incident
