

Old man Biden says Hamas is worse than AlQueda. Brain dead is he 231014
Dr John WorldPeace for President USA 2024

Friends Biden is getting more senile everyday. He says "Hamas makes Al Queda look pure". Does anyone think Hamas can take down building in America.

Donald Trump is getting more and more insane everyday because he trying to save his Fake fortune. And he cannot focus on the Presidency any more. He is looking more and more worn out. He is in many criminal courts now and that is not like the civil courts that can be easily manipulated by a really high end lawyer. But with all these criminal cases only one has to triumph over the Trump and he goes to jail.

I did not vote for Biden. I voted against Trump. Biden is living in the 20th century. Israel is a great impediment to the USA. The Zionist have control over Biden and the rest of the fools in Washington who take the Zionist money to work against America.

Zion runs an apartheid state which all real Americans detest and condemn. Zion is running a concentration camp in Gaza that each day adds more crimes against humanity to its resume. Netanyahu is as big a crook as Trump and he is trying to twist the judicial system to save himself and move the apartheid state of Zion to the Theocracy of Zion just like his nemesis Iran.

This Gaza Hamas thing is about 75 years of domination of the Palestinians by Israel backed by the USA. The way to end the Hamas problem is to recognize them and then sit down at the negotiating table with them. But Biden and the Republicans and Democrats do not want a sit down with Hamas because all the evil criminal acts of Zion against the Palestinians in general and the Zionist Holocaust in Gaza would come into the daylight along with what Zion has done in Gaza is an abomination to America.

That is right. Bring Hamas to the negotiating table and the Zionists are immediately the ones on trial. Can't have that can we Grandpa Joe.

The stupid Christians and all their blah blah blah about the end times and the Book of Revelation has placed Zion in control of America and that must end. None of these Holy Roller Christian Nationalist will debate me on my book "The Third Millenium Second Reformation of Christianity. I am the Advocate for Jesus Christ Jn 14:25.

The Christians go over and bow down to Israel and subordinate Jesus to the Zionist that crucified him because of the false book of Revelation.

But worse than that, while America if fighting Putin in Ukraine, which requires all America's attention in order to stay out of another World War in Europe by holding the line against Russia we have to deal with the 75 years ongoing chaos caused by the Apartheid Zionist state.

Let me tell you this that brain dead Biden does not realize. America is the Chosen nation of God. Why? Because it is the only melting pot nation in the world human society that is inclusive of all nations, all religions, all races, all genders. Zion is a radical racist nation of Zionist: dismissive and intolerant of all other religions. The radical right Zionists were spitting on Christians jsut a week ago. And Netanyahu has contempt for Christian America that he has to serve.

These yahoos in Washington cant jump high enough for Zion because of so many Jews in America. But as I said above, America is also a nation of Palestinians and Muslims. Why is therer no talk of the global rights of our Palestinians citizens whose families are being tortured in Gaza and the rest of the occupied lands. Israel is the apartheid state. Israel is foisting a Holocaust on Gaza.

Right when we are in a life or death struggle with the Ukrainians, Israel is again taken front and center attention of the immensely more critical problem in Ukraine.

I says to the criminal Trump and the Old man Biden go home. You are living in the 20th century. Making a deal with the Saudis who have not fully acknowledged that they were the breeding ground for Al Queda and therefore an accomplice to 911. Why is Biden cutting a deal with them to turn over all the Palestinians to the Zionist.

And lastly, Zion has cut off food, water, medical supplies and electricity to Gaza. Do you know how many are going to die there if Biden does not get real with Israel?

Retire Biden. You disgust me old man. You are disoriented in the 21st century. Those sunglasses say a lot about you. Old Fuddy Duddy living the glory days of the past. One million Palestinians are in jeopardy under the corrupt Zionists right now. And you are comparing Hamas and AlQueda. You are making a deal with and for Zion against the Palestinians and their 75 years of torture by Zion.
